## Typography

### Quicksand

Rounded geometric sans · its round terminals mirror the round-capped graph line.

ABCDEFGHIJKLMNOPQRSTUVWXYZ abcdefghijklm 0123456789 çöüğşı

Primary wordmark is two-tone (navy + coral “bak”). Solid-navy is the alternate for tiny sizes & single-colour print.

#### Clear space · Minimum size

Keep clear space  $\geq$  the badge’s corner radius on all sides. Minimum digital icon size: 32 px. Never recolour, stretch, rotate, add effects, or place the cream/light mark on a busy background — use the reversed (white) version on dark surfaces.
